Abrakadoodle's Digital Photography and more!

This mini camp with a "digital camera spin" will be comprised of 2 unique lessons plus art activities each day, one of which will incorporate the use of cameras (provided) to produce a finished piece of artwork. Children will learn about landscape photography, dioramas, photo illustration and much more as they produce unique works of art. All lessons take inspiration from famous artists like Ansel Adams, Marc Chagall and Andy Warhol to name a few. In addition, children will produce 3D artwork using modeling compounds such as model magic. Children will be exposed to a wide variety of art materials for maximum fun and enjoyment.
