**KidzArt Discover!** (ages 3<sup>1/2</sup> - 5)

The 'language' of art begins with the recognition of lines and shapes. We show preschoolers how these lines and shapes can fit together to create a complete whole. Then we introduce them to the tools to do it for themselves.

**If you can dream, You can draw.**

KidzArt programs put a strong emphasis on creating the right classroom environment. Art is all about feeling the freedom to take risks, to explore the unknown, to trust your own judgement. Because when you are free to dream, you will find the power to create.
