

RIDGEWOOD WATER'S SERVICESENTRY SERVICE LINE PROTECTION PROGRAM CAN SAVE YOU MONEY!

ServiceSentry is designed to protect you from the problems associated with a broken water service line. For only \$12.50 per quarter (for most single family homes), we'll repair your service line and restore your lawn and sidewalk promptly and efficiently, no hassle or long delay. We take care of it all! **ServiceSentry** is also offered for multi-family and commercial properties at slightly higher fees.

PROGRAM ELIGIBILITY REQUIREMENTS

- You must be the owner of the property to be enrolled in ServiceSentry.
- ServiceSentry goes into effect thirty (30) days after your enrollment application is received and approved.
- Your water service line must be in good operating condition on the day that the ServiceSentry program takes effect.
- You must allow us to inspect your premises prior to enrollment if required.

BENEFITS

RIDGEWOOD WATER WILL:

Repair or replace your leaking water service line damaged by normal wear and tear.

A water service line is defined as: the water line which extends from the curb valve (usually near the curbline) to the water meter on your premises.

Make repairs that comply with all laws, regulations, codes and standards.

Restore soil and re-seed grass disturbed by the excavation.

Repair cement and blacktop sidewalks and/or driveways disturbed by the excavation.

Warranty our repair for one year.
