Dear Smart Controller Applicant,

Thank you for watering smart. The 2017 conservation program was successful. As a result of your water saving commitment and mild/wet conditions, 2017 summer demand was sustainable for Ridgewood Water Operations. To insure that your water saving commitment continues, please complete and return the form below to re-certify your system for 2018. Kindly include your email address where indicated so that we may have it for our records.

By signing below, I agree to the smart controller permit conditions and requirements for smart irrigation control, and certify that my system has been programmed based on proper sprinkler head data, soil conditions, plant and irrigation data.
